## Choose a Student & Be a Parent

**Service To Mankind Is The Best Form Of Worship.  
Public Service Is Duty.**

Inspired by this same goal, 'Niranjan Sevabhavi Sanstha' is serving the deprived by doing social service through various projects. Niranjan Sevabhavi Sanstha is an organization rooted, established and grown on 'public participation'.

**'Empowered Student' Is The Future Of Our Country &  
The Legacy Of Our Society.**

With this faith, Niranjan Sanstha has been empowering the younger generation of students through various projects since 2012. Little by little, a little becomes a lot. Started by supporting only 25 students in 2012, now Sanstha has contributed significantly and sponsored more than 25,000 students till 2023.

**This year in 2024,**

**The Sanstha has decided to support 2024 students.**

While the metro cities are developing rapidly, the depiction of the village is still grim. A weaker section of society is still struggling for basic needs. Suicides, death due to lack of medical services, starvation are increasing due to poverty.

**One Cannot Spend On Education,  
If They Do Not Have Enough Money For Food.**

Due to such endless difficulties, economically weaker sections are deprived of education. Non-affordability of school materials hinders the education of such needy students.

**Niranjan Sanstha has decided to break this vicious cycle by providing 'School Education Kit' for many young and needy children.**

**The name of this initiative created through public participation is  
Choose a Student & Be a Parent**

No...! We don't want you to adopt anyone, we just want you to be the parents and support a student for education. Niranjan Sevabhavi Sanstha has prepared a 'School Kit'. The price of this kit is Rs.2000. As the organization intends to provide this assistance to 2024 students.

If friends like you come forward, then with their help, cooperation and service, the future of these little ones will be bright and assured. And It will cost you less than your pizza party or a product purchased online. i.e. hardly 2000 rupees.

**Some Of The Scared Eyes Are Waiting For Your Help.**

**A Few Hands Stretched Out With The Desire Are Reaching Out For Your Help.**

**Some Wings Of This Hope Have Withered.**

**Let's be someone's wings.. Let's choose a 'student' and be a parent.**

We believe that with your thoughts, guidance and participation, 'Niranjan Sevabhavi Sanstha' can serve better and help more.

Waiting for your cooperation...

**Sincerely,**
